Clearing work was still going on at the BUG auf RUEGEN (N 55/ 2 57) flying field and scaplane base. Soviet officers who had arrived by passenger car examined the area for more than an hour.

25X1A

Comment:

Clearing work at the field has been repeatedly reported since August 1949. It is assumed that it is intended to occupy the field by an air unit.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Contral Intelligence to the Archivist of the United States.
